

KELLY on Lithgow

Introducing 'Kelly on Lithgow', a boutique estate comprising approximately 59 blocks that offers you all the benefits of proximity to so many new facilities in the area. Whether it be the Golf Course Club House and Restaurant, Childcare Centre, Beveridge Primary School or the future Mandalay Shopping Precinct and Community Centre, it is all conveniently located at your doorstep.

As Melbourne continues to grow into Australia's largest city, this is an outstanding opportunity to be a part of one of its most vital growth corridors between the city itself and the historically significant Ned Kelly Country. With easy freeway access, you take in all of what this beautiful region has to offer. This is the future of outer-suburban Melbourne. Contact the sales team today to find out more.
